## CHAPTER 2

## NEW TESTAMENT

ROBERT MORGAN

There are biblical echoes in the choice of a seventy-year span, and it embraces some living scholars' memories, but the politically dreadful 1930s provide no dramatic markers for periodizing **biblical studies**. They offer instead a few echoes of the more vibrant preceding decade and of the golden century of New Testament historical criticism, from F. C. Baur in 1831 on the divisions in Corinth, to Walter Bauer in 1934 on *Orthodoxy and Heresy in Early Christianity*. Both those monographs emphasized the theological diversity in early Christianity uncovered by historical research, whereas the neo-Reformation biblical interpreters of the 1920s combined their form criticism with a unifying theological understanding of revelation. Our topic is the New Testament scholarship which built on that critical heritage, while being partly moved by those theological impulses, from the times of destruction and rebuilding in Europe to a new political, economic, and cultural hegemony in the globally threatened present day.<sup>1</sup>

# Online vs. off-line přístup k e-knihám?

- Trend: Symbióza online a off-line prostředí e-knih
  - Online přístup jako standard (více EIZ, vyhledávání, společná indexace, vzdálený přístup)
  - Off-line jako komfort (šetří zrak, malý formát, velká kapacita)
- Roste poptávka po off-line kopiích
- Přenositelnost e-knih, technické limity e-čteček, specifické formáty pro e-čtečky...
- Nejen e-čtečky: Tablety, chytré telefony
- Optimální varianta: využití mobilních zařízení pro online i off-line přístup

# Proč mobilní přístup?

- Chytré telefony dominantním produktem na trhu mobilních telefonů [1]
- V USA se počet lidí vlastnících e-čtečky a/nebo tablety meziročně zdvojnásobil [1]
- 92 % (60 %) respondentů považuje možnost ukládat e-knihy na PC (mobilní zařízení) „za velmi důležité“ [2]
- Akademičtí knihovníci řadí iPad na 1. místo mezi mobilními zařízení vhodnými pro e-knihy [3]

1) Pew Internet & American Life Project (March 2012)

2) ebrary's 2011 Global Student E-book Survey

3) ebrary's Download Survey
