

OBGYN COLLECTION

Introducing the **OBGYN COLLECTION** — a brand new reference and research approach for residency programs and medical students.

> **MORE THAN ONLINE EDITIONS OF LEADING REFERENCES**

Connect instantly to the fully searchable and complete content of updated landmark obstetrics and gynecology references, including the latest edition of the world's #1 obstetrics text, *Williams Obstetrics*. The ObGyn collection also features Clinical Pearls, presentations from both *Williams Obstetrics* and *Williams Gynecology* for study and group viewing.

> **WILLIAMS EXCLUSIVE CONTENT**

Receive advanced chapters of forthcoming editions of *Williams Obstetrics* and *Williams Gynecology* exclusively on the ObGyn Collection – not available anywhere else.

> **LEADING SUBSPECIALTY REFERENCES**

The latest clinical texts and surgical atlases in urogynecology, gynecologic oncology, and fetal medicine, including *Fetology*.

> **DEDICATED MULTIMEDIA LIBRARY**

View a unique collection of more than 100 sonography videos and cases, plus a growing list of *Williams* animations.

To preview our ObGyn Collection FREE for 30 days, email your representative at digitalsales@mhedu.com.

How to create a FREE MyAccess Personal Account

Creating your own MyAccess account has many advantages that can help you unlock a higher level of functionality as an AccessMedicine subscriber. It allows for greater personalization and access to a wide range of exclusive subscriber benefits that are only available with a MyAccess account. Sign up to create your account today. It's easy!

Here's all you need to do to get started:

1. Navigate to the AccessMedicine homepage.
2. Click on your institution's name inside the drop-down box in the upper right-hand corner of any page. Once there, click on "Create a Free Personal Account."
3. A new window will appear. Click on the "Don't have a MyAccess account" link.
4. Fill in the registration form under the heading, "Create a MyAccess Account."
5. Press the CREATE ACCOUNT button and you're ready to enjoy the benefits of having a My Access account. (To keep your MyAccess account active, you must sign in every 90 days through your institution, either on-site or through a VPN.)

Once you have an account, you can do all this:

- > Download the NEW AccessMedicine App that puts the resources of AccessMedicine in the palm of your hand 24/7 delivering indispensable support and invaluable point-of-care solutions for clinical practice through innovative digital features*
- > Gain remote access to your subscribed site(s) using just your MyAccess account credentials. No extra log-ins or VPNs required!
- > Gain access to the Pharmacotherapy Casebook Instructor's Guide on AccessPharmacy
- > Access Self-Assessment to create and save practice tests
- > Use the Cases to evaluate real-world patient scenarios
- > Access Custom Curriculum (if it's being used by your program)
- > Save and download images
