

Factiva

A premier global business and news resource from Dow Jones for academic libraries

Distributed by ProQuest in academic markets worldwide, Factiva provides students, faculty, and researchers with unparalleled access to one of the world's largest collections of business news and information sources, featuring content from 200+ countries in 33 languages.

Award-winning resource trusted by Fortune 500 companies. Factiva combines authoritative global content with sophisticated search and monitoring capabilities, offering users timely, reliable knowledge for academic research and career preparation across business, finance, journalism, political science, and more.

Preparing students for professional success. By providing access to the same premium resource used by major corporations worldwide, libraries give students powerful research tools and real-world business intelligence that bridges academic learning with professional practice.

GLOBAL COVERAGE

More than 30,000 sources across 200 countries in 33 languages providing local insight and global perspective.

BUSINESS INTELLIGENCE

Track market activity, research companies, and monitor industry developments with professional-grade tools.

RESEARCH EXCELLENCE

Easy access to premium sources with advanced search and monitoring capabilities that enable deep research across disciplines.

ACADEMIC ADVANTAGE

Cross-disciplinary support from business to political science, preparing students for professional careers.

Dow Jones Factiva includes:
